

LAUREN COLVIN

Full-Stack Software Engineer and Website Designer

Los Angeles, CA | 408-313-4568 | lcolvin2013@gmail.com | [GitHub](#) | [Portfolio](#) | [LinkedIn](#)

I am a fashion designer turned web developer who brings enthusiasm, creativity and an exceptional work ethic to every team. I am trained as a full stack developer, and provide great value with my interpersonal skills, big-picture thinking, efficient solutions and positive attitude. I work well under pressure and love to think outside of the box to solve challenging problems while collaborating with my team.
